A GREAT DIPLOMAT.

THE PHENOMENAL SUCCESS OF EM-PEROR WILLIAM'S TRIP.

The Journey a Triumphal Success—He Said Not a Word that Could Offend the French.

[Copyrighted, 1839, by the New York Associated Press. 1

After making every allowance for official of the spirit of true religion and Christian virtues kept pace with the increasing asm the Emperor's reception indicates the remarkable progress made in Gerthe remarkable progress made manizing the provinces during the past The journey from Strasburg to Metz was a triumphal progress. All intermediate stations were gaily decorated and crowded with people, who cheered the Emperor, whose tact in the difficult and tempting circumstances was remark-able. He made brief replies to various toasts, etc., but said not a word that the French could be offended Chamber of Commerce, on being pre-sented to the Emperor petitioned him to abolish the present rigorous regulations. He briefly expressed regret at his inability to do anything in this direction. By order of Prince von Hohenlohe an The Trials of Rogers, Who Salled Alone imperial decree was published in Strasburg to-night expressing thanks to their GLOUCESTER, Mass., August 23.—Tho Majesties for the brilliant receptions acceptance of Martha A. Bradley arrived corded them, which the decree says here to-day from the Grand Banks, strengthens the conviction that these having on board Captain Charles T. originally German territories, inhabited Rogers, of the boat Nickelodeon, who as they are by an honest intelligent was picked up on the western edge of the population, will become still more close- Grand Banks August 10th in a helpless ly attached to the Patherland.
